

Bear Cave Wrestling Club- Battled Tested, Proven, ON THE RISE!

I'm sure you have seen the Blue/Neon Green Bear Cave singlets worn by young Bear Cave wrestlers at the Pikes Peak Tournaments, Rocky Mountain Nationals, Tulsa, and many nationally recognized tournaments. Who is the coach, mentor, and leader behind these relentless, respectful, tough young men?

When Bear Cave was started 5 years ago by Ben VomBaur, they were mostly composed of 8-12 year olds. Five years later they're finally putting wrestlers into high school rooms and each of those wrestlers are having a big impact. Amazingly, Will VomBaur's run to the 4A title went through two wrestlers he trained with for years at Bear Cave, Sawyer Novara and Ben Euresti. They made each other better and that's the reason they're among the top wrestlers in the state. Coach VomBaur of Bear Cave Wrestling club recognizes that different wrestlers have different abilities. They don't change the way they wrestle, they enhance the way they wrestle. This has made Bear Cave Wrestling Club one of the best youth clubs in the country and soon to be one of the best high school clubs in the country.
